BLACK&BLUE Day
FRIDAY the 13th

More cuts in funding for Kentucky's public schools will leave us *all* "black and blue."

Help KEA deliver that message to the people in our communities and to legislators in Frankfort.

Wear black and blue on Friday, February 13.
"Fly" those colors wherever you go.

Create your own ways to dramatize the message that EDUCATION CUTS NEVER HEAL!

Keep Kentucky
LEARNING

For more information about Black & Blue Day or to get or share ideas about how to "show the colors" in your school, district, bus or worksite, ask your KEA representative or local Association officer, or go to ***www.kea.org***
