Criteria for Leon Horne Discovery Grant

The grants will be awarded to members from local Associations in the NCUEA region in which the Fall Conference is held. The selection process is based on the following criteria:

1. Is an Ethnic Minority
2. Resides in the NCUEA Region in which the conference is held
3. Is a member of an NCUEA member
4. Would be a first-time participant – not traditionally funded by the local Association
5. Complete and return application within timelines.
6. All grant recipients are expected to provide a written report for use in NCUEA newsletters and other communications as appropriate to promote NCUEA and the goals of encouraging ethnic minority participation. This report shall also be used at the local Association as appropriate.

All applications meeting criteria will be considered for grants. If there are more applicants meeting the grant criteria than available funds, selection will be made on a lottery basis.
