Dear Brent,

I am a retired JCP's teacher of 40 years. I have been retired for almost eight years. The public school education of our children is very important to me. I am proud of our teachers. Many of these teachers began their careers student teaching in my classroom.

Thank you for the letter you wrote in the Courier. You are a wonderful voice for our teachers and children. I voted for you when you first ran for JCPA President. I would do it again.

Sincerely,
Joyce Caudice
