

# CHIEF ACADEMIC OFFICER

## Jefferson County Public Schools

### Louisville, Kentucky

Jefferson County Public Schools, Kentucky's largest school district, serving over 100,000 students, is seeking a Chief Academic Officer. This dynamic and experienced educational leader must possess a deep commitment and proven record of promoting academic success. Candidates must be prepared to articulate their abilities and skills to oversee and fully implement the *Learning, Growth, and Development* goals and strategies outlined in our JCPS Vision 2020. The Chief Academic Officer must have extensive knowledge of current research and hands-on experiences for implementing systems that facilitate and support academic achievement for diverse learners, and a deep understanding of best practice curriculum, instruction, and academic support programs.

Persons interested in this position should visit the EMPLOYMENT tab on our website at [www.jefferson.kyschools.us](http://www.jefferson.kyschools.us) to review the job description and directions for application.
