

2005 NAEP Fourth Grade Reading Scale Scores (On A 0-500 Scale)

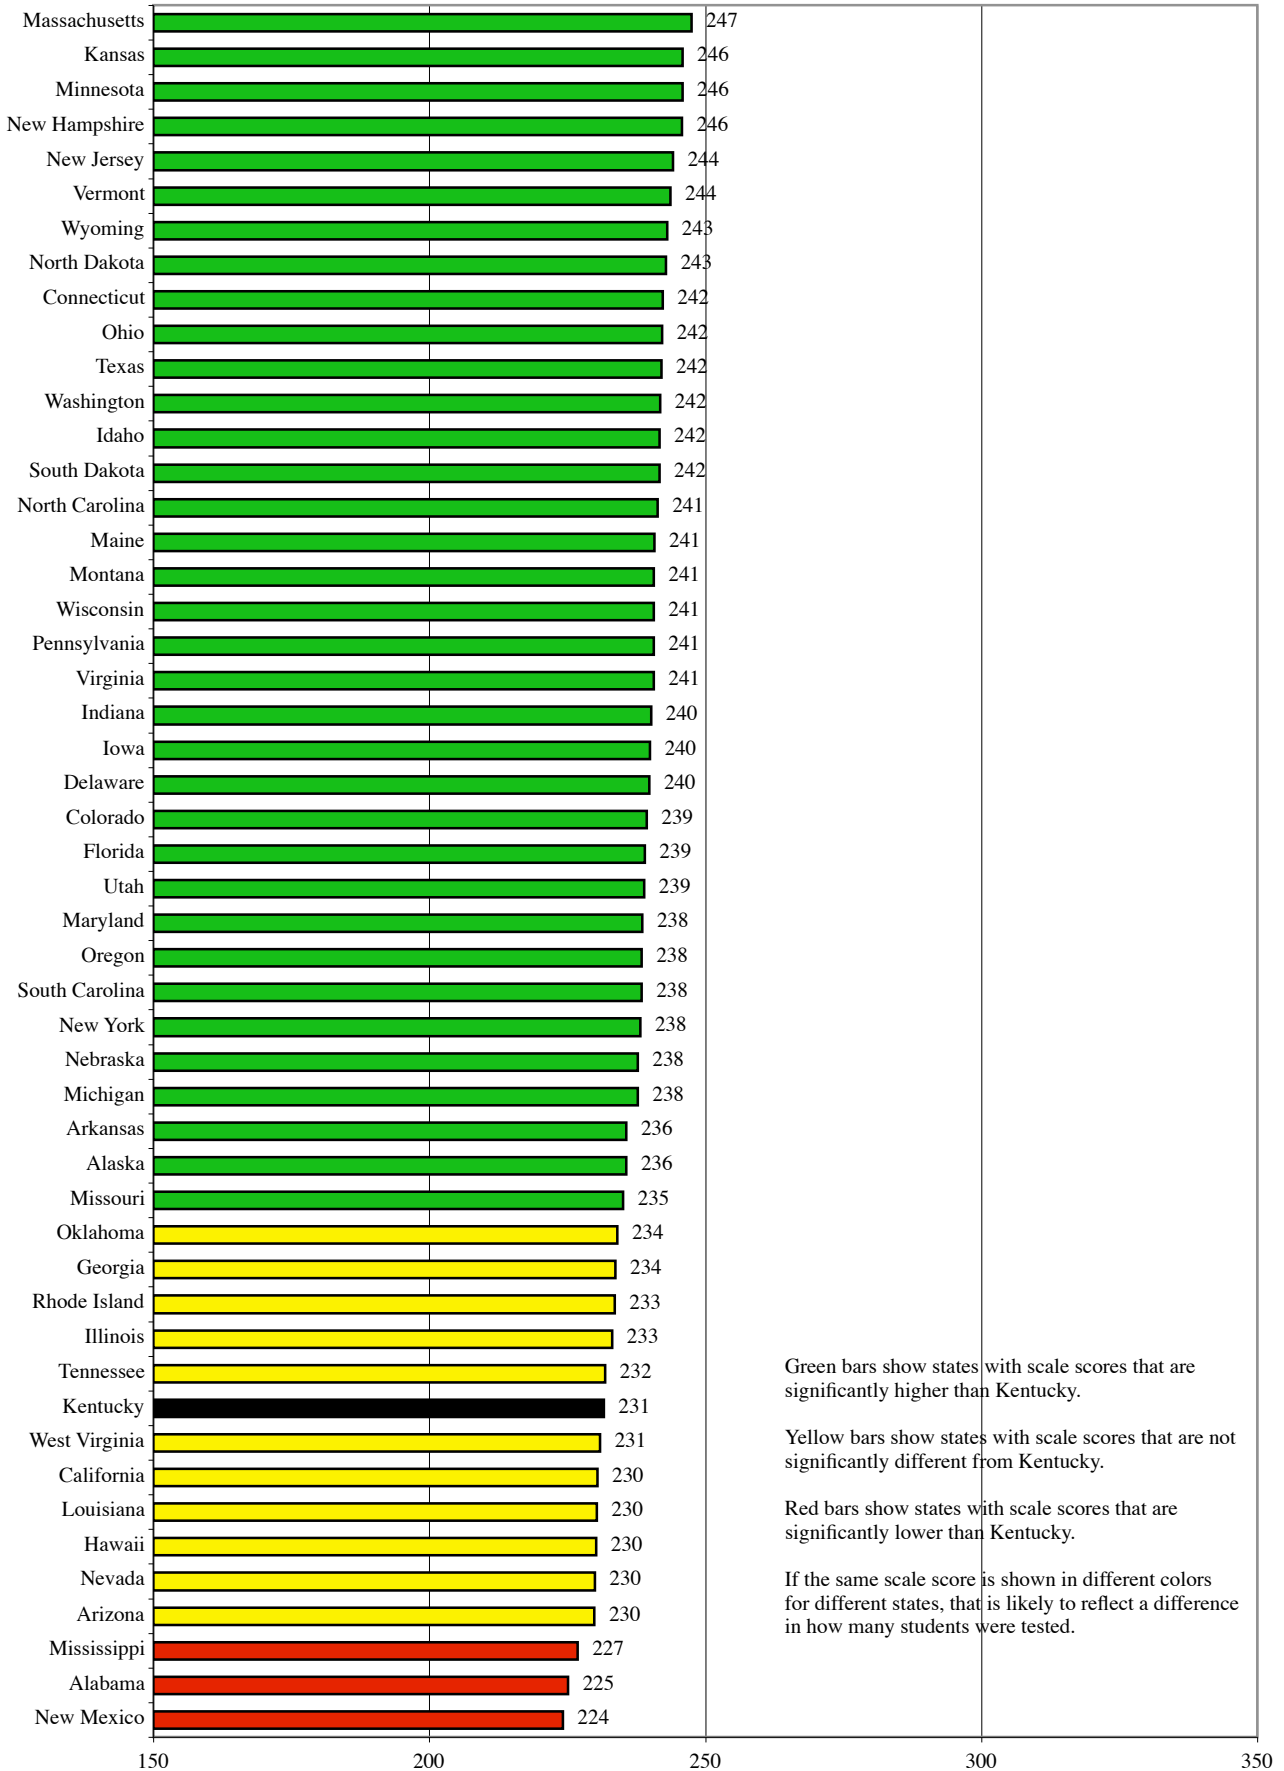

2005 NAEP Eighth Grade Reading Scale Scores (On A 0-500 Scale)

2005 NAEP Eighth Grade Mathematics Scale Scores (On A 0-500 Scale)

2005 NAEP Fourth Grade Mathematics Scale Scores (On A 0-500 Scale)

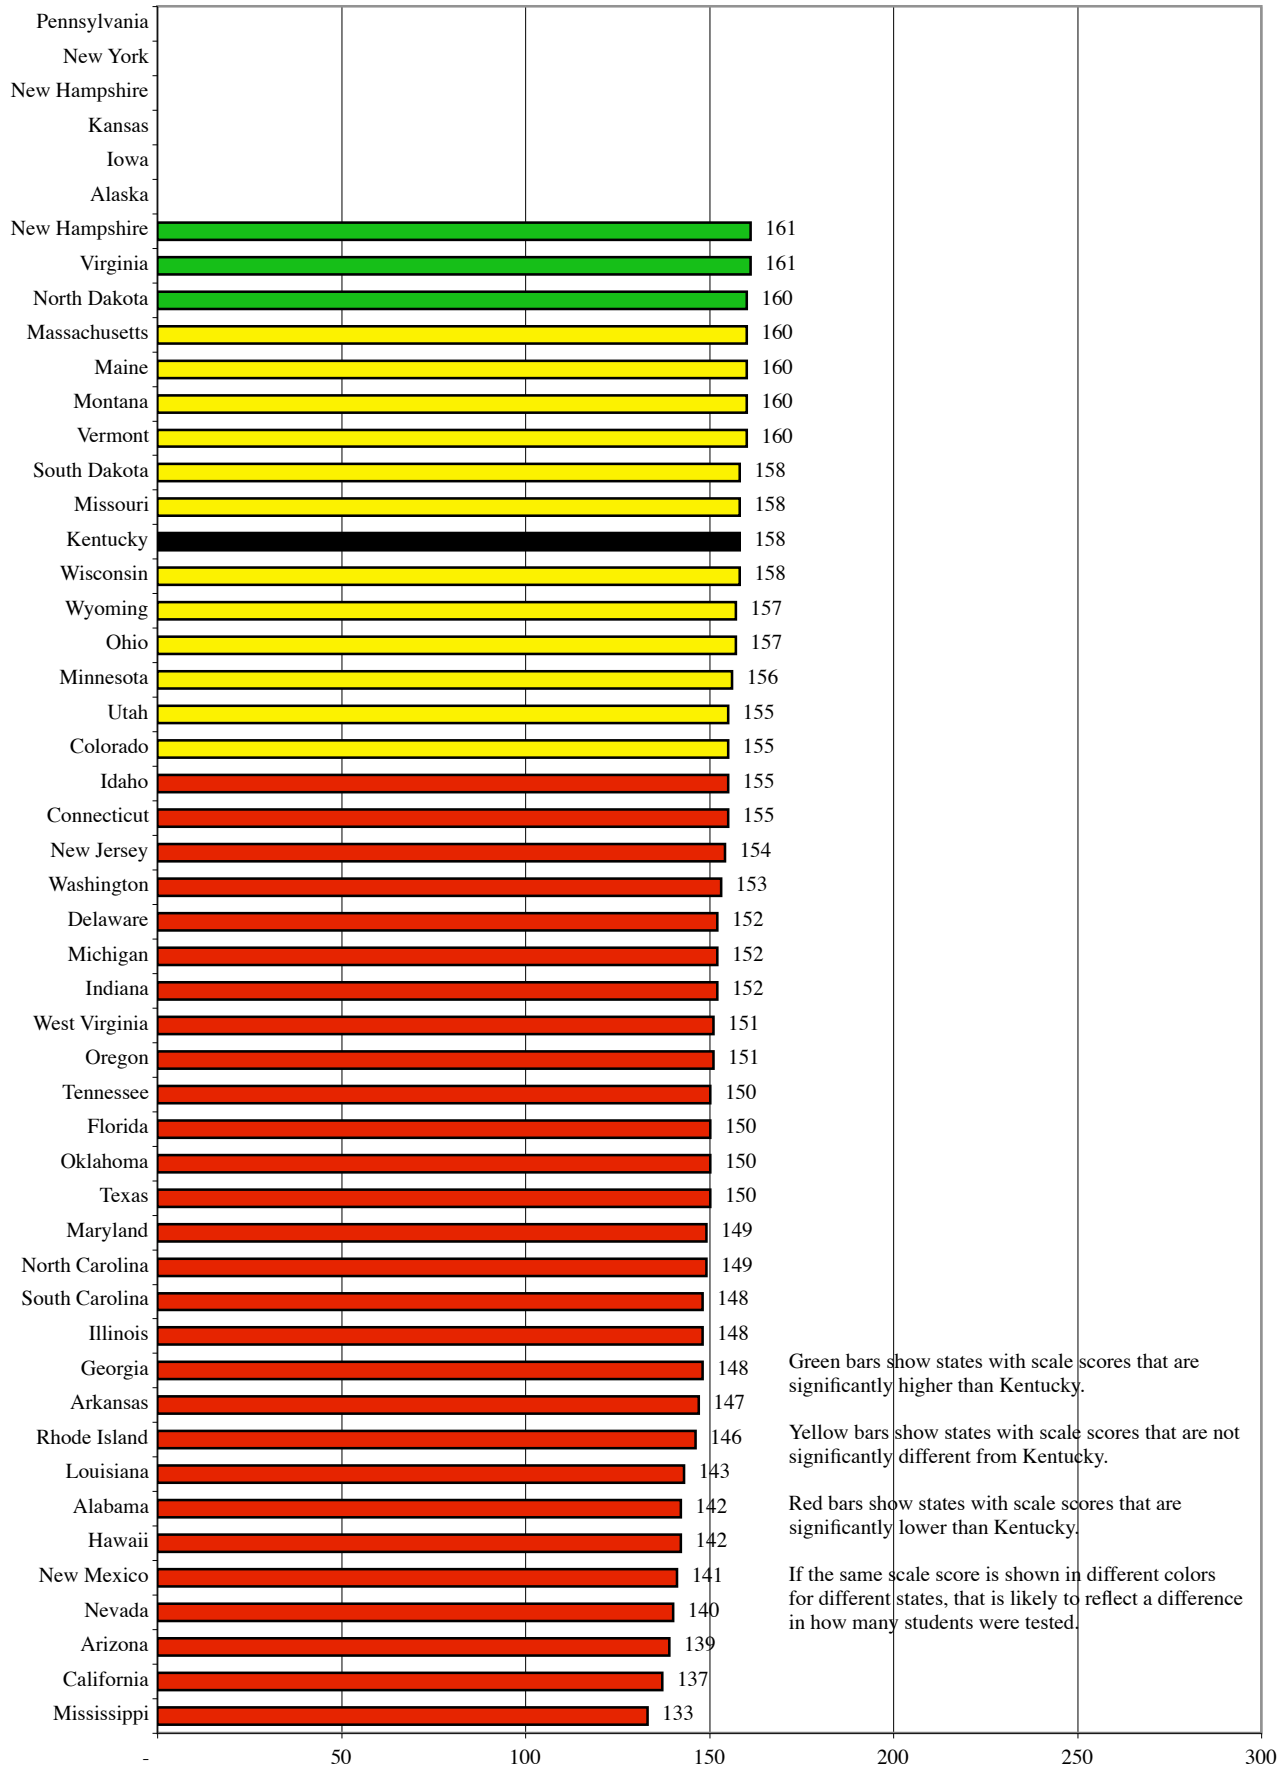

Green bars show states with scale scores that are significantly higher than Kentucky.

Yellow bars show states with scale scores that are not significantly different from Kentucky.

Red bars show states with scale scores that are significantly lower than Kentucky.

If the same scale score is shown in different colors for different states, that is likely to reflect a difference in how many students were tested.

2005 NAEP Fourth Grade Science Scale Scores (On A 0-300 Scale)

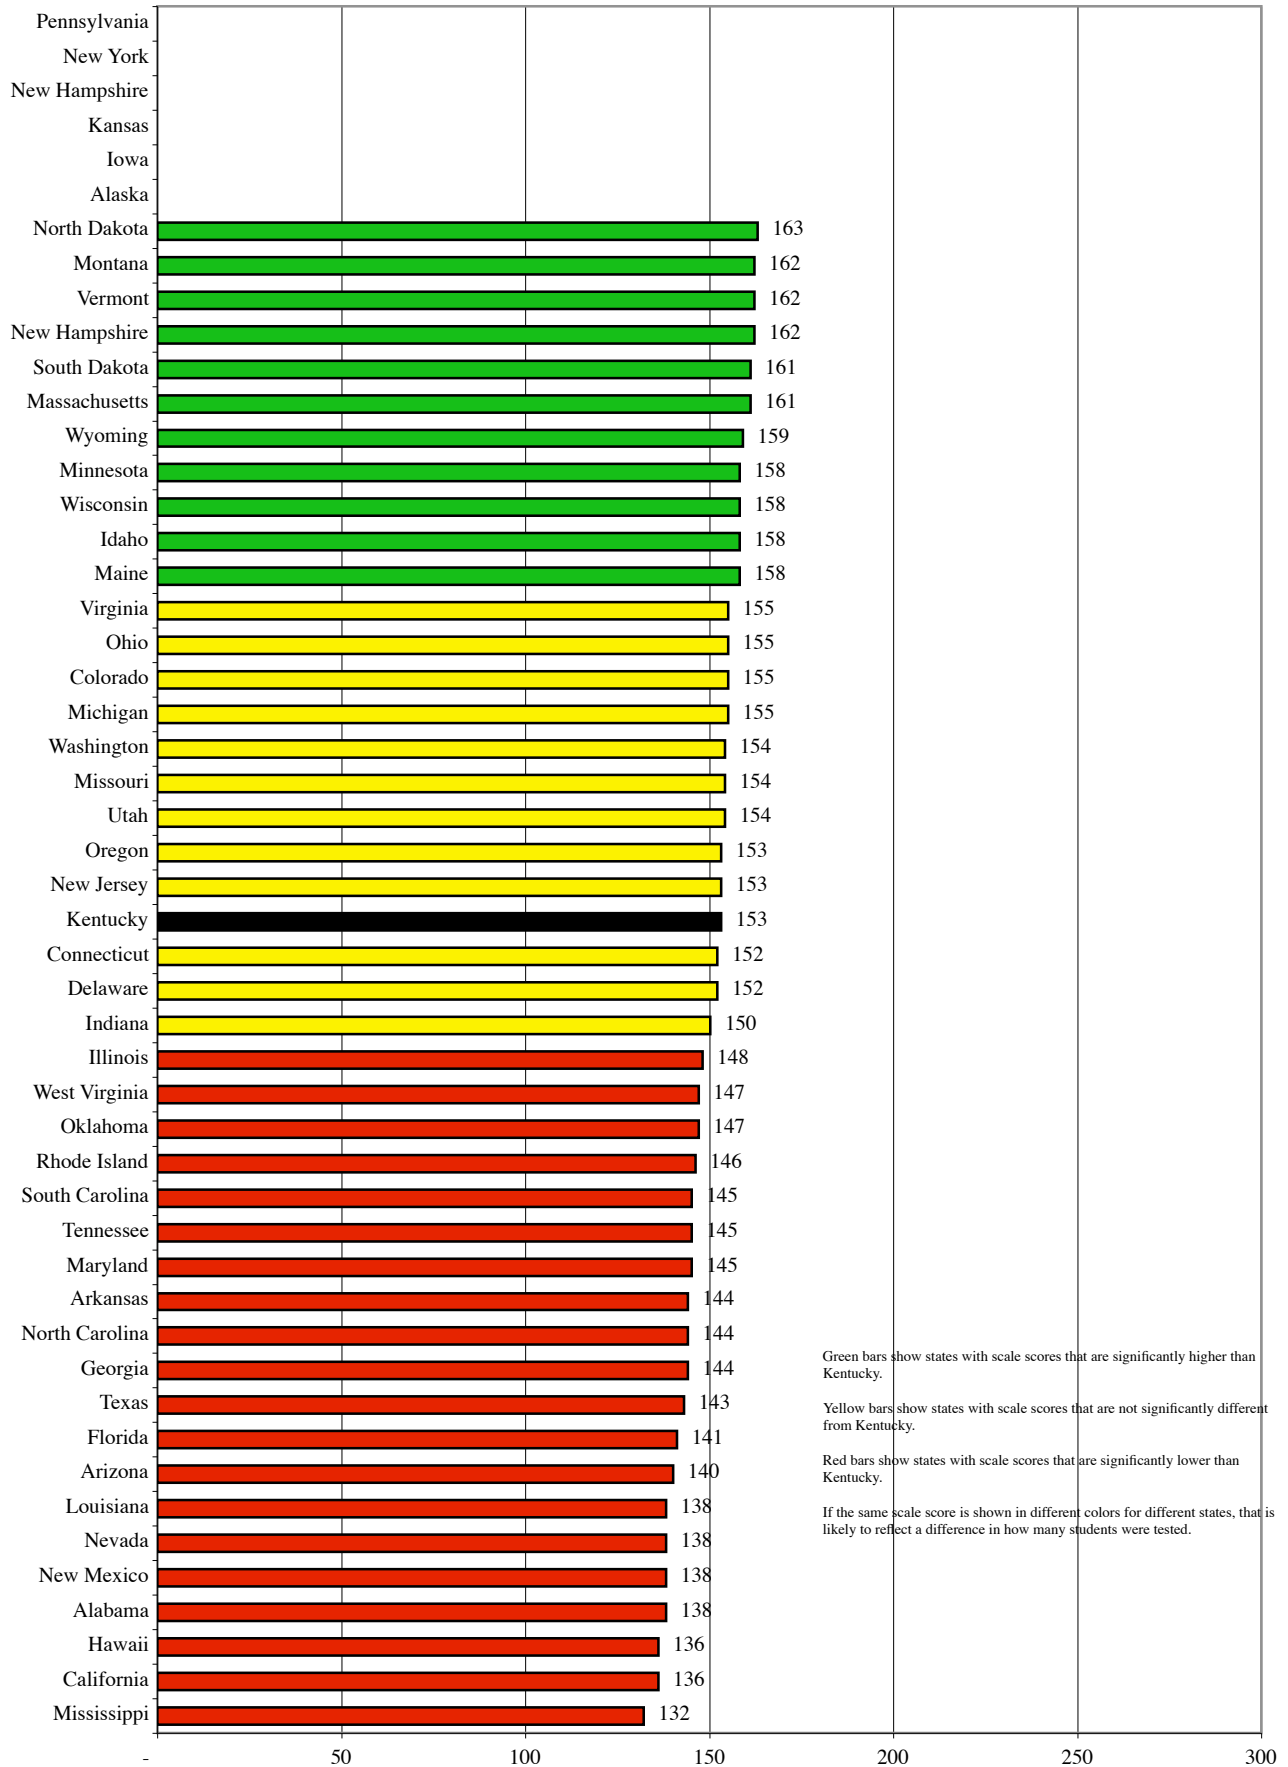

Green bars show states with scale scores that are significantly higher than Kentucky.

Yellow bars show states with scale scores that are not significantly different from Kentucky.

Red bars show states with scale scores that are significantly lower than Kentucky.

If the same scale score is shown in different colors for different states, that is likely to reflect a difference in how many students were tested.
