

KWIB Committees

Employer Engagement and Business Services

- Revamp employer services at state and local levels
- Increase employer engagement in workforce and education
- Leverage employer data using the Kentucky Talent Pipeline Management System

Education Attainment and Completion

- Increase dual credit and work based learning opportunities for students
- Review and adjust the locations, pathways, and resources of Pre-K through postsecondary delivery
- Increase awareness of opportunities for students, educators, career counselors and parents.
- Improve the sharing and use of data for education
- Focus on later career learners for older workers

Workforce Participation

- Address barriers to employment for individuals
- Mitigate disincentives to work and incentivize workforce participation
- Focus on veterans, individuals with disabilities, re-entrants from corrections system, individuals in recovery from substance abuse, foster care and others.
- Develop strategies to counter act substance abuse.

Resource Alignment

- Develop organizational and structural changes for governance
- Develop metrics for Kentucky's workforce development programs
- Define and create an effective communication approach
- Build a stronger, more coordinated relationship between state and local governments, institutions and workforce innovation areas.
