

# What School *'Reformers'* DON'T WANT YOU TO KNOW

Standardized testing is **NOT** a very accurate measure of student learning  
**OR** teacher effectiveness, but is remarkably effective at measuring **FAMILY INCOME**.

## Average SAT Scores by Family Income (2013)

\* If we want to **change student outcomes**, we **DON'T NEED** more testing.  
We need to **GET SERIOUS** about addressing poverty.
